NASAA Resources

The [Grant Making](#) section of NASAA's website offers a variety of statistical tools and policy perspectives that can help you compare your agency's grant-making strategies to those of other states. Highlights include:

- [Grant Making Explorer: Trends in Key Types of Support](#)
- [Grant Making Explorer: Institution and Discipline](#)
- Fact sheets on grants to [rural communities](#), [arts education](#), [individual artists](#), [local arts agencies](#) and [operating support](#)

Resources especially useful in considering equity issues include:

- [State Policies & Programs Addressing Diversity](#)
- [SAAs Create More Equitable Access to the Arts](#)

Have more questions about grant making? Ask away! [NASAA's research team](#) provides customized responses to information requests.
