

National Diversity, Equity and Inclusion Consultant Sourcebook

As part of our ongoing support for diversity, equity and inclusion (DEI), NASAA has compiled this informal list of consultants, facilitators and trainers. These individuals have come to NASAA's attention through our state arts agency network and colleague arts organizations. All hold expertise in addressing DEI, and most have experience in working with arts organizations and/or government agencies. NASAA offers this list as a referral resource for state arts agencies conducting DEI training (with staff, council or constituents) or seeking facilitators for agency level policy, programming or evaluation work. No NASAA or state arts agency endorsement is implied. We welcome additions! For more information or to contribute your feedback, please contact NASAA Executive Associate to the Chief Program and Planning Officer Feby Emelio: feby.emelio@nasaa-arts.org.
