All In for the Arts

The arts are essential to our nation's recovery and well-being. To rebuild a strong arts and creative sector we need to go *All In for the Arts*.

NASAA is doing just that! Thanks to the incredible generosity of a former board member and an anonymous donor, we're going all in with a \$50,000 matching gift opportunity!

From now until December 31, donations will be matched dollar for dollar up to \$50,000. That means that by the end of the year we can raise \$100,000 to strengthen state arts agencies and boost the arts.

We're so excited about the big difference this will make for you and your agency. Want more great news? We're already halfway toward our goal—please give today to keep this momentum going!

Help Us Reach Our Goal!

Donate now—your gift will be matched dollar for dollar

No gift is too small, and every dollar counts. You can [give online today](#), or send in your donation along with this [form](#).

You'll hear more about our **All In for the Arts** matching gift campaign in the coming weeks. Keep an eye out because this year we're turning up the fun with some special challenges and a drawing to win a piece of art. (Hint: everyone who donates by the end of the year gets their name entered.)

Thank you so much for your support!

NASAA's mission is to strengthen state arts agencies.
