

ART TELLS OUR STORIES

Our stories are who we are, who we have been,
and who we will become.

NDCA believes everyone deserves
equal access to a creative life.

We work in rural and urban communities
to encourage community planning
for economic growth.

We seed new ideas and activity for the future
through grants, conferences, and education.
We can help build capacity.

NDCA's many programs support communities,
organizations, arts educators, and artists
of all abilities across the state to sustain and
grow the presence of arts and culture.

NDCA'S MISSION:

**We strengthen the creative capacity of
North Dakota for all who live & visit here:
honoring our cultural traditions, empow-
ering excellence and innovation, inspiring
arts and culture opportunities for all.**
